Accounting I – Part I

- When answering questions 01 to 20 enter a “✓” mark in the most appropriate cage.

01. What is the underline Accounting concept that provides the basis for depreciation of fixed assets of a business entity.

- | | |
|--------------------------|----------------------------|
| <input type="checkbox"/> | 1. Going concern concept |
| <input type="checkbox"/> | 2. Prudence concept |
| <input type="checkbox"/> | 3. Consistency concept |
| <input type="checkbox"/> | 4. Historical cost concept |
| <input type="checkbox"/> | 5. Realization concept |

02. A provisions for doubtful debt of last year became as a bad debt during the current year. which of the following the appropriate journal entry regarding that,

- | | | | | |
|--------------------------|--|-----|-------------------|-----|
| <input type="checkbox"/> | 1. Bad debt a/c | Dr. | Debtors a/c | Cr. |
| <input type="checkbox"/> | 2. Profit and loss a/c | Dr. | Debtors a/c | Cr. |
| <input type="checkbox"/> | 3. Provisions for doubt full debts a/c | Dr. | Debtors a/c | Cr. |
| <input type="checkbox"/> | 4. Provisions for doubt full debts a/c | Dr. | Bad debt a/c | Cr. |
| <input type="checkbox"/> | 5. Provisions for doubt full debts a/c | Dr. | Doubtful debt a/c | Cr. |

03. What is the Accounting concept that provides to identify the part of the purchase of good as cost of sales (an expense) and the remainder as the closing stock (an assets)

- | | |
|--------------------------|------------------------------|
| <input type="checkbox"/> | 1. Realization concept |
| <input type="checkbox"/> | 2. Accrual concept |
| <input type="checkbox"/> | 3. Matching concept |
| <input type="checkbox"/> | 4. prudence concept |
| <input type="checkbox"/> | 5. Accounting entity concept |

04. The Accounting concept that provides the basis for the measurement of stocks at the lower of cost and net realized value, according to S.L.A.S. 05 (five)

- | | |
|--------------------------|------------------------------|
| <input type="checkbox"/> | 1. Prudence concept |
| <input type="checkbox"/> | 2. Periodic concept |
| <input type="checkbox"/> | 3. Going concern concept |
| <input type="checkbox"/> | 4. Matching concept |
| <input type="checkbox"/> | 5. Accounting entity concept |

Using following information answer question no 05 and 06.

Debtors control account balance as at 31/03/2008 - Rs. 435,000

The total of debtors ledger balances as at 31/03/2008 - Rs. 457,000

- a) The sum of sales journal Rs. 65,000 has been recorded in the debtors control account as Rs. 56,000
- b) Bad debt written off of Rs. 15,000 and discounts allowed for Rs. 18,000 have been recorded only in the debtors account.
- c) A cheque received of Rs. 2,500 from a debtor has been dishonored and it has been recorded only in the debtor's account.
- d) Kamal, a debtor of the business has returned goods which are valued at selling price for Rs. 2000, has been recorded in the return outwards journal as Rs. 2,000

05. What is the correct balance of the debtors control account as at 31/03/2008

- 1. Rs. 53,200
- 2. Rs. 53,000
- 3. Rs. 55,000
- 4. Rs. 54,200
- 5. Rs. 57,000

06. Which of the following adjustments are considered when reconcile the debtors ledger with debtors control a/c.

- 1. 'a', 'b' and 'c' only
- 2. only 'c'
- 3. 'b' and 'd' only
- 4. 'b' and 'c' only
- 5. 'a' and 'b' only

07. Kasun, the chief partner of Kasun and Dasun partnership is proposed to his Account and to indicate the present market values of the business assets in the financial statements. He has been neglected;

- 1. Consistency concept
- 2. Accrual concept
- 3. Prudence concept
- 4. Historical cost concept
- 5. Money – measurement concept

08. Following information is extracted from the pay sheet of Lakshman's business.

Gross Salary	-	Rs. 500,000
PAYE Tax	-	Rs. 10,000
EPF contribution of employee	-	Rs. 40,000
EPF contribution of employer	-	Rs. 60,000
Deducted Salary advance	-	Rs. 25,000

What is the net salary and salaries and EPF expense appearing in the profit and loss account for the period are,

	Net Salary (Rs.)	Salary P &L a/c (Rs.)	EPF expense (Rs.)
<input type="checkbox"/> 1.	425,000	500,000	100,000
<input type="checkbox"/> 2.	425,000	500,000	40,000
<input type="checkbox"/> 3.	425,000	500,000	60,000
<input type="checkbox"/> 4.	425,000	460,000	40,000
<input type="checkbox"/> 5.	500,000	400,000	100,000

09. Following details are extracted from Thilaka's business for the year ended 31/03/2009.

	Rs.
Purchase (Gross)	- 750,000
Trade discounts	- 15,000
Carriage inward	- 25,000
Fright charges	- 18,000
stocks as at 31/03/2009	- 18,000

What is the cost of sales of the business.

- 1. Rs. 750,000
- 2. Rs. 780,000
- 3. Rs. 740,000
- 4. Rs. 810,000
- 5. Rs. 800,000

10. Amal did not maintain proper records on his business. Followings are some entries recorded by him in his note book.

	Rs.
Opening stock	52,000
Purchases	450,000
Closing stock	22,000

If Amal maintains 40% Gross profit ratio, what is the gross profit he earned during the period.

- 1. Rs. 288,000
- 2. Rs. 220,000
- 3. Rs. 192,000
- 4. Rs. 320,000
- 5. Rs. 232,000

11. Amal and Kamal are the partners of a partnership. They have agreed to share the profit and losses in the ratio of 2:1. Capital balances of them are Rs. 200,000 and Rs. 100,000 respectively. Kamal joined with them for 1/5 profit share. What is the capital he should be invested to obtain 1/5 right of the business.
- | | |
|--------------------------|---------------|
| <input type="checkbox"/> | 1. Rs. 78,000 |
| <input type="checkbox"/> | 2. Rs. 75,000 |
| <input type="checkbox"/> | 3. Rs. 60,000 |
| <input type="checkbox"/> | 4. RS. 80,000 |
| <input type="checkbox"/> | 5. Rs. 50,000 |
12. Ajith & Sajith are running a partnership business. They have agreed to share profit and losses in the ratio of 2:1. They have agreed to admit Lalith as a partner for 1/5 of profit share. If Lalith obtains his profit share only from Ajith. What is the new profits haring ratio of the business.
- | | |
|--------------------------|--------------|
| <input type="checkbox"/> | 1. 7 : 5 : 2 |
| <input type="checkbox"/> | 2. 2 : 2 : 1 |
| <input type="checkbox"/> | 3. 5 : 3 : 2 |
| <input type="checkbox"/> | 4. 7 : 5 : 3 |
| <input type="checkbox"/> | 5. 7 : 3 : 5 |
13. Cost of loose tool is completely written of to the profit and loss account during the year of purchase even though they can be used for more than one year. What is the Accounting concept complied with this Accounting treatment.
- | | |
|--------------------------|------------------------|
| <input type="checkbox"/> | 1. Matching concept |
| <input type="checkbox"/> | 2. Accrual concept |
| <input type="checkbox"/> | 3. Materiality concept |
| <input type="checkbox"/> | 4. Prudence concept |
| <input type="checkbox"/> | 5. periodic concept |
14. A partnership ends its accounting period on 31st of December. The chief partner of this business made drawings Rs. 4,000 per month in the date of 15th of each month, from 15th of July. Partnership agreement shows 10% interest on drawings. What is the interest amount charged on his drawings at the end of the first year.
- | | |
|--------------------------|------------|
| <input type="checkbox"/> | 1. Rs. 450 |
| <input type="checkbox"/> | 2. Rs. 300 |
| <input type="checkbox"/> | 3. Rs. 600 |
| <input type="checkbox"/> | 4. Rs. 400 |
| <input type="checkbox"/> | 5. Rs. 750 |
15. What is the preliminary book and source document used to recorded return outwards.
- | | |
|--------------------------|--|
| <input type="checkbox"/> | 1. Journal voucher and General ledger |
| <input type="checkbox"/> | 2. Debit note and sales Journal |
| <input type="checkbox"/> | 3. Credit note and return outwards Journal |
| <input type="checkbox"/> | 4. Invoice and return outwards Journal |
| <input type="checkbox"/> | 5. Credit note and purchase Journal |

16. Neptune Company started a factory (product relate to mineral sand) at the Eastern coast, during the year 2009. Company wishes to compute it's operating results after they close up their extractions. What is Accounting concept the company has neglected.

- | | |
|--------------------------|--------------------------|
| <input type="checkbox"/> | 1. Accrual concept |
| <input type="checkbox"/> | 2. Going concern concept |
| <input type="checkbox"/> | 3. Periodic concept |
| <input type="checkbox"/> | 4. Matching concept |
| <input type="checkbox"/> | 5. Realization concept |

17. A company has purchased a machine on 01.01.2005 for Rs. 200,000. The residual value and economic useful life of this machine is Rs. 2,000 and 09 years respectively. Machine is depreciated on straight line method. This machine is revalued for Rs. 100,000 on 01.01.2007 and new residual value was Rs. 2,500. There is no any change in economic useful life of the machine and method of depreciation. If the accounting period of this company ends on 31st of December. What is the depreciation amount credited to the profit and loss account for the year 2007.

- | | |
|--------------------------|---------------|
| <input type="checkbox"/> | 1. Rs. 20,000 |
| <input type="checkbox"/> | 2. Rs. 27,500 |
| <input type="checkbox"/> | 3. Rs. 35,000 |
| <input type="checkbox"/> | 4. Rs. 17,500 |
| <input type="checkbox"/> | 5. Rs. 24,250 |

18. A production company ends it's Accounting year on 31st December in each year. The company purchases 2000kg (1 kg = Rs. 15) of row material per month. Due to increase of price up to Rs. 20/= they purchased 1800 kg per month since of October. The annual production of the company is 9500 units and it consumes 2 kgs to produce a unit of the good. If this firm uses "first in first out" pricing method, what is the value of the closing stock as at 31st December.

- | | |

3. A person who has purchased shares and his name will be entered in to share register in due course.

- | | |
|--------------------------|--------------------------------|
| <input type="checkbox"/> | 1. Answer 01 only |
| <input type="checkbox"/> | 2. Answer 01 & 02 |
| <input type="checkbox"/> | 3. Answer 01 & 03 |
| <input type="checkbox"/> | 4. Only 3 rd answer |
| <input type="checkbox"/> | 5. All answers |

06. Cash & cash equivalants means.

- | | |
|--------------------------|--|
| <input type="checkbox"/> | 1. Cash in hand + Cash at bank |
| <input type="checkbox"/> | 2. Highly liquid short term investments |
| <input type="checkbox"/> | 3. only cash balance |
| <input type="checkbox"/> | 4. Call deposit & short term investment |
| <input type="checkbox"/> | 5. Cash balance + short term investments |

07. Cost center means

- | | |
|--------------------------|---|
| <input type="checkbox"/> | 1. Warehouse that finished goods stored |
| <input type="checkbox"/> | 2. Place where cost is collected to attributed to per unit cost |
| <input type="checkbox"/> | 3. Factory where goods manufactured |
| <input type="checkbox"/> | 4. Place where cost is accounted by managements |
| <input type="checkbox"/> | 5. A factory where specified product manufactured |

For question 8 and 9

ROL 12000

Minimum consumption 1000 , Minimum lead time 2 months

Re orderly period 4 months, E.O.Q. 8000

08. Maximum consumption of the factors.

- | | |
|--------------------------|-----------------|
| <input type="checkbox"/> | 1. 4,000 units |
| <input type="checkbox"/> | 2. 6,000 units |
| <input type="checkbox"/> | 3. 3,000 units |
| <input type="checkbox"/> | 4. 12,000 units |
| <input type="checkbox"/> | 5. 1,000 units |

09. Maximum stock level is,

- | | |
|--------------------------|-----------------|
| <input type="checkbox"/> | 1. 24,000 units |
| <input type="checkbox"/> | 2. 18,000 units |
| <input type="checkbox"/> | 3. 2,000 units |
| <input type="checkbox"/> | 4. 16,000 units |
| <input type="checkbox"/> | 5. 32,000 units |

For question 10 and 11

Amal working for a company. He will receive bonus based on Rowan method.

Time consumed for a job = 8 hours
Time allowed for a job = 10 hours
Hourly rate = 200/-

10. Calculate Amal's bonus?

- 1. Rs. 400/=
- 2. Rs. 360/=
- 3. Rs. 480/=
- 4. Rs. 320/=
- 5. Rs. 300/=

11. Amal total income amounted

- 1. Rs. 1,920/=
- 2. Rs. 1,960/=
- 3. Rs. 2,080/=
- 4. Rs. 1,900/=
- 5. Rs. 2,000/=

For question 12 and 13

The following details related to Namal Ltd.,

Description	Total	Departments		
		A	B	C
Square meters	800	400	300	100
Cost of matching	100,000/-	30,000/-	50,000/-	20,000/-
Employees	200	50	100	50

Other information

Rent & rates 16,000/-
Factor expense 40,000/-

12. The rent & ratio distributed to A, B, C, department is,

- 1. 4800, 8000, 3200
- 2. 4000, 8000, 4000
- 3. 8000, 6000, 2000
- 4. 3200, 8000, 4800
- 5. 10000, 4000, 2000

13. Factory administrator expense for A, B, C department is,

- | | |
|--------------------------|------------------------|
| <input type="checkbox"/> | 1. 20000, 15000, 5000 |
| <input type="checkbox"/> | 2. 10000, 20000, 10000 |
| <input type="checkbox"/> | 3. 12000, 20000, 8000 |
| <input type="checkbox"/> | 4. 8000, 24000, 8000 |
| <input type="checkbox"/> | 5. 12000, 16000, 12000 |

14. The correct statement is,

1. Primary cost = Material + Labour cost + overheads
2. Overheads = Indirect material + Indirect labour + Indirect other cost
3. Total cost = Primary cost + overheads
4. Total cost = Direct material + Direct labour + Over head

- | | |
|--------------------------|--------------------|
| <input type="checkbox"/> | 1. 1, 2, 3 |
| <input type="checkbox"/> | 2. 1, 3, 4 |
| <input type="checkbox"/> | 3. 2, 3, 4 |
| <input type="checkbox"/> | 4. 2, 3 |
| <input type="checkbox"/> | 5. all the answers |

Following details related to 15 & 16

Present selling price Rs. 200/=

Per unit variable cost Rs. 80/=

Number of unit sold Rs. 400/=

Total fixed cost Rs. 18,000/=

15. Total contribution

- | | |
|--------------------------|-----------------|
| <input type="checkbox"/> | 1. Rs. 50,000/= |
| <input type="checkbox"/> | 2. Rs. 16,000/= |
| <input type="checkbox"/> | 3. Rs. 14,000/= |
| <input type="checkbox"/> | 4. Rs. 30,000/= |
| <input type="checkbox"/> | 5. Rs. 48,000/= |

16. B.E.P. sales quantity

- | | |
|--------------------------|--------------|
| <input type="checkbox"/> | 1. 90 units |
| <input type="checkbox"/> | 2. 150 units |
| <input type="checkbox"/> | 3. 225 units |
| <input type="checkbox"/> | 4. 45 units |
| <input type="checkbox"/> | 5. 144 units |

17. Investment decision as per given information is,

- | | |
|--------------------------|---|
| <input type="checkbox"/> | 1. Actuations of NCA, or instation of NCA. |
| <input type="checkbox"/> | 2. Start up business or reservation of business |
| <input type="checkbox"/> | 3. Acquition of NCA, renovation of business |
| <input type="checkbox"/> | 4. installation of NCA or renovation of factory |
| <input type="checkbox"/> | 5. Acquition of NCA, no depreciations provided in the year of purchase. |

18. The ratio which will not consider as activity ratio is,

- 1. Stock turn over rate
- 2. Debtors turn over period
- 3. Debt collection period
- 4. Total asset turn over ration
- 5. R.O.C.E.

19. Acid – test rations mean

- 1. The ratio of total asset convert to cash
- 2. Liquid Assets less current liabilities
- 3. Conversion of cash equaling to cash
- 4. Conversion of purchase in to sale.
- 5. The ration between carried

20. Pay back period means,

- 1. Repayment period of borrowed money
- 2. Time taken to recover the internal investing
- 3. Net cash flow less settlement of outside liabilities
- 4. internal capital play total interested attributable to initial capital
- 5. Repayment time of P.V. of 50% of initial capacity

21- 25 fill in the blanks.

- 21. If company signed a contract with another investors, to buy the shares when those were not subscribed by other investor define as
- 22. C.V.P. analysis, if current sales increased above B.E.P. define as
- 23. As per SLAS 05/ IAS 02 the cost components of stock consist with,
- 24. liabilities should ones be disclosed in the F/S as a notes to F/S.
- 25. As per SLAS 10 can be followed when preparing F/S.

26 – 30 state True & False.

- 26. Bonus share issue is another way of distribution to share holders. ()
- 27. Proposed dividend deprest by notes to F/S. ()
- 28. The cost when is not varied with time period define as variable. ()
- 29. Test run for investment appraisal is cash out for the project. ()
- 30. Revalue amount means exchange value of the asset between knowledge willing parties at arms length transaction. ()

31 – 40 Provide short answers.

- 31. The main requirement need at to allocate overheads to particular department is,
.....
.....
- 32. List down for items available in bin – card.
.....
.....
- 33. What’s the main purpose of preparing changes in equality statement?
.....
.....
- 34. List down different stock control methods using by business entities.
.....
.....
- 35. Explain pay sheet?
.....
.....
- 36. What is the SLAS 3 stand for?
.....
.....
- 37. Explain contingent assets as per standard?
.....
.....

38. Main purpose of cash flow statement is to?

.....
.....

39. List down features of current liabilities.

.....
.....

40. Explain two reasons why the new company act incorporate Sri Lanka.

.....
.....
