#### Question - 02

Dear Roshan and Akila

Hi, from Canada! We are having a grown tholiday. We haven't seen a bear yet, but there are bears and deer in the formal around the lake where we are staying. The bears often go to the rubbish to the formal formal

On our first night we saw an amazing fireworks show. It doesn't get dark here until 10 o' clock, so it was really a late night for us.

Last night we rode in a gondola 2000 metres to the top of Whistler Mountain. It was like floating in a glass bubble; so peaceful and still. The city lights were beautiful. Today we canoed around the lake, and had a very short swim. It was freezing. The weather has been sunny, but not like the weather at home.

Bye for now. We will be home next week.

Ali
