

# English

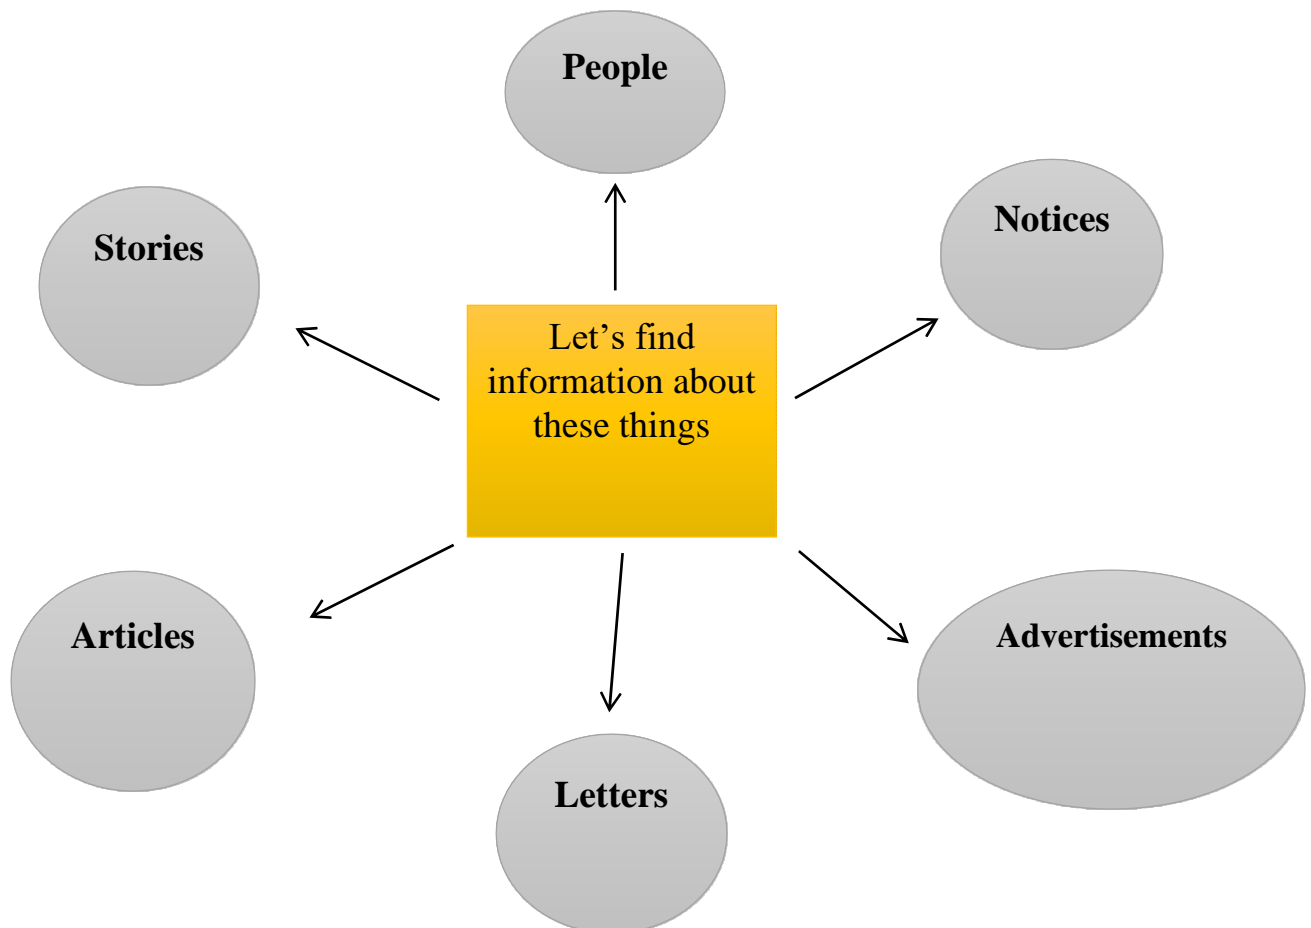

## Grade 7

## 5.2 - Extracts specific information from various types of simple texts.

okay... Now in this  
Lesson, Let's find  
information from  
following texts

Let’s find information about people

The Village Boy.

Lakshan is a clever boy. His hometown is Balangoda. After the scholarship exam, he went to Sivali Central College, in Ratnapura. He likes Mathematics and English. Now he is in grade 7 and stays in the school hostel. But he always misses his beautiful village in Balangoda. When he gets his school vacation, he runs to his hometown to meet his old friends, Sapumal and Thilina. Throughout the vacation, he plays with his friends and enjoys the vacation. He loves to fly kites and it is one of his hobbies. When the vacation is over, he feels sad when he has to leave his best friends. But he goes to school willingly, because he loves his school too.

Find answers to the following simple questions from the passage.

- 1. Name of the boy - .....
- 2. His school - .....
- 3. Grade - .....
- 4. Hometown - .....
- 5. Stays in - .....
- 6. Favourite subjects - .....
- 7. Why does he run to his hometown ..... ?
- 8. Best friends - .....
- 9. Hobby - .....
- 10. Does he l
- 11. ove his school? - .....

**Let's find information in Letters**

Pelmadulla Road,  
Ratnapura.

15<sup>th</sup> November 2020

Dear Sameera,

How are you? I hope you are fine. I got your letter and photos yesterday. I was very happy after seeing them. The photos of the wild animals are very beautiful. You can be a great photographer one day.

By the way, Thank you very much for your invitation. I have good news. My parents said that I can go to your place next Sunday. I am so excited to meet you. Please be at the railway station at 10.30 a.m. to meet me.

Give my regards to your parents.

Your friend  
Naveen
