கல்விப் பொதுத் தராதரப் பத்திர (சாதாரண தர)ப பரீட்சை - மாதிரி வினாப்பத்திரம் – 2023 (2024) G. C. E. Ordinary Level Examination – Model Paper - 2023 (2024)

> තුගෝල විදාහව I, II பුඛിயිயல් I, II Geography I, II

#### Geography - II

- This paper contains part I and II.
- The question in part I is compulsory. All the three parts, (a), (b) and (c) in it should be answered.
- Four questions should be answered from part II.
- The total number of questions should be answered is **five.**

#### Part I

- 1. Study the 1:50000 map extract to answer the questions given below. Use the paper provided to write answers.
  - i. What is the feature shown by the line A B? (valley / gentle slope / undulating land)

(01 mark)

ii. What is the commercial crop in the square shown by C? (coconut / paddy / tea)

(01 mark)

iii. What is shown by **①**?

(light house / rest house / port)

(01 mark)

iv. What is the boundary shown by letter **(E)**?

(Grama Niladhari Division / provincial / divisional secretariat)

(01 mark)

v. What is the drainage feature found in the circle **(**?)? (braided river / meander / water divide)

(01 mark)

' Will a state of the state of

vi. What is the distance between the two railway stations on this map in kilometers?

vii. Name the line denoted by **(F)** 

(01 mark) (01 mark)

viii. Name two institutions that provide services from the square **G**.

(02 marks)

ix. What is shown by (H)?

(01 mark)

(b) Study the map of the world to answer the questions provided. Use the column next to the map to write answers.

Refer to the letters on the world map and select the correct letter out of the three letters given at the end of each statement to answer the questions (i) - (v). Write the answers in the column next to the map.

i. Pamir plateau -

(S, T, U)

ii. River Sacramento -

 $\widehat{M}$ ,  $\widehat{N}$ ,  $\widehat{O}$ 

iii. Cuba -

(V), (W), (X)

iv. Lake Ayar -

(C), (D), (E)

v. Kuznetsk -

(P), (Q), (R)

(5 marks)

(c) Study the map of Sri Lanka to answer the questions provided. Use the column next to the map to write answers.

Refer to the letters on the map of Sri Lanka and select the correct letter out of the three letters given at the end of each statement to answer the questions (i) - (v). Write the answers in the column next to the map.

i. 'Bombuwala', A paddy research institute -

(G), (H), (I)

ii. 'Bogala', the graphite mine -

(A), (B), (C)

iii. 'Solar Universe', the first solar power station of Sri Lanka - ①, ⑤, ⑥

iv. Port city -

 $\bigcirc$ ,  $\bigcirc$ ,  $\bigcirc$ 

v. The district in which the new land area was introduced for rubber cultivation - (1), (M), (N)

(5 marks)

#### Part II

2. (i) Define atmosphere.

(2 marks)

(ii) State **three** salient features of troposphere.

(3 marks)

(iii) a) Write **two** human activities that cause atmospheric pollution.

(2 marks)

b) Suggest three measures to minimize the impacts of the human activities you mentioned above.

(3 marks)

3. (i) Name **two** none-Asian countries that cultivate tea

(2 marks)

(ii) State **three** salient features of plantation agriculture.

(3 marks)

(iii) a) Write **two** strategies followed by different countries in the world to increase tea production.

(2 marks)

b) Write **three** benefits of tea production to the economy of Sri Lanka.

(3 marks)

4. (i) Name the **two** continents where most of the world population lives.

(2 marks)

Population (Age based) - 2012

| . opalation (, ige basea) |      |  |
|---------------------------|------|--|
| Age group                 | %    |  |
| Young dependents          | 25.8 |  |
| Labour force              | 62.0 |  |
| Older dependents          | 12.2 |  |

Population (Gender based)- 2012

| Gender | %    |
|--------|------|
| Male   | 48.5 |
| Female | 51.5 |

(ii) According to census data in 2012, state **three** features of the population structure of Sri Lanka.

(3 marks)

(iii) State **three** problems of aging of population and explain **one** of them in brief.

(5 marks)

5. (i) Name **two** leading countries/zones in the production and trade of electronic industry in 2008 - 2013.

(2 marks)

(ii) Write **three** salient features of the electronic industry of the world.

(3 marks)

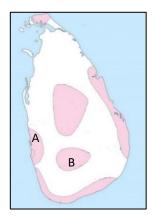

(iii) a) Write **two** problems in the usage of electronic equipment.

(2 marks)

b) State two trends of electronic industry in Sri Lanka and explain one of them in brief.

(3 marks)

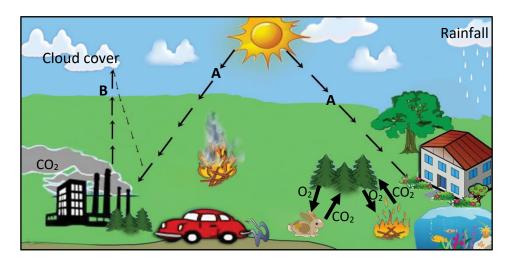

6.

- (i) Name the **two** tourist zones denoted by A and B on the map. (2 marks)
- (ii) State **three** problems of tourist industry in Sri Lanka. (3 marks)
- (iii) State **three** trends of tourist industry in Sri Lanka and briefly explain **one** of them. (5 marks)
- 7. (i) Write the names of cyclones that occur in following two areas.
  - A) In the Indian ocean around Bay of Bengal
  - B) In the Indian ocean near Northwest coast of Australia (2 marks)
  - (ii) Mention **three** impacts of cyclones to physical and human environment. (3 marks)
  - (iii) Write **three** actions taken to respond disasters and explain **one** of them.

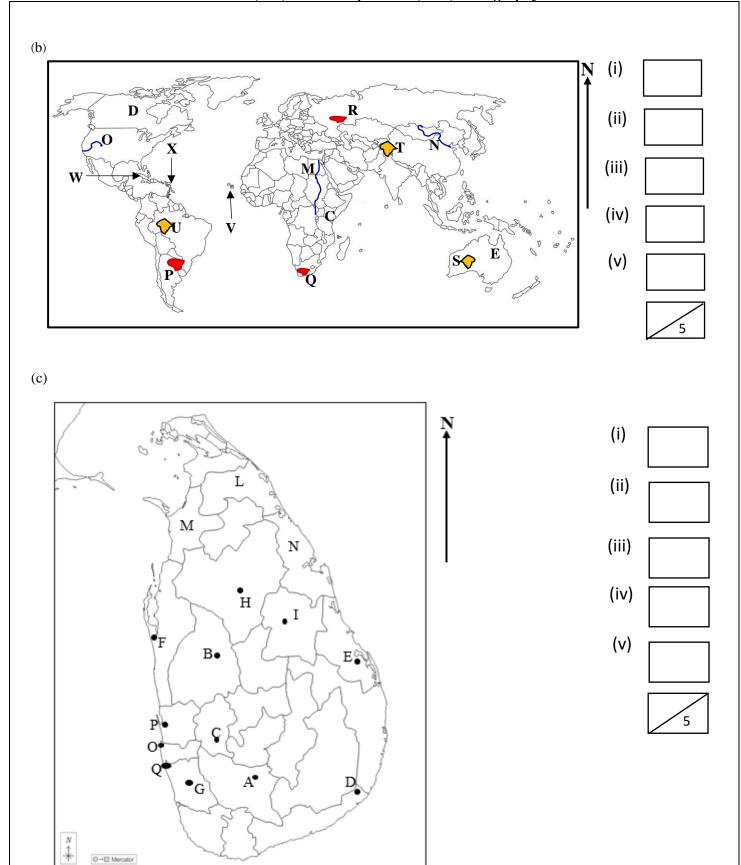

(5 marks)

8.

- (i) Name the occasions A and B in the picture above. (2 marks)
- (ii) Name **three** greenhouse gases that increase global warming. (3 marks)
- (iii) a) State **two** impacts of global warming on human activities. (2 marks)
  - b) Write **two** strategies taken by the government of Sri Lanka in reducing the impacts of climate change and explain **one** of them in brief. (3 marks)

\*\*\*\*

1. (a) 
$$\frac{}{10}$$
 + (b)  $\frac{}{5}$  + (c)  $\frac{}{5}$  =  $\frac{}{20}$
