

1. Which of the following statements is correct in relation to the general purpose final financial statement.
2. The Purpose of the general purpose final financial statements is to record information
3. Information is provided only to internal parties by general purpose final financial statements.
4. Recording the transactions in prime entry books is called as common purpose final financial statements.
5. The basic assumption to prepare general purpose final financial statements is the going concern concept.
6. Only the future information is recorded by general purpose final financial reporting.

2 The major objective of accounting is,

1. To prepare final financial statements for auditing.
2. To communicate the economic information to interested parties to make decisions.
3. To communicate information to external interested parties of the entity
4. To communicate additional information to international interested parties.
5. To provide financial information to finance institutes.

3 Which of the following economic factor is relevant to introducing a new accounting standard.

1. Technical and professional environment 2. Economic and political environment
2. Social and cultural environmental
3. Legal environment
4. Technological environment
5. The effect of a transaction to accounting equation is given below.

Assets $=$ Equity + Liabilities

- $=-5000+5000$

Above transaction could be

1. Settling a creditor for Rs. 5000 by owners personal money.
2. Purchasing goods for Rs. 5000 on credit
3. Obtaining a bank loan for Rs. 5000
4. Receiving a discount for Rs. 5000 when settling a creditor
5. Receiving the monthly electricity bill for 5000
6. A firm sold some goods for Rs. 80000 which the cost was Rs. 50,000 and thereafter debtors settled their dues subject to Rs. 5000 discount. The net effect of these transactions is shown in the accounting equation as,

Assets

1. Increased by Rs. 20,000
2. Increased by Rs. 25,000
3. Increased by Rs. 20,000
4. Increased by Rs. 30,000
5. Decreased by Rs. 30,000

## Equity

Increased by Rs. 20,000
Increased by Rs. 25,000
Increased by Rs. 25,000
Increased by Rs. 30,000
Increased by Rs. 30,000
6. Recognition of depreciation of each period in the income statement is done in accordance to.

1. Accruals concept
2. Going concept
3. Realization concept
4. Prudence concept 5. Matching concept
5. The assets and liabilities as at 31/1/2019 of Damith's business which was started on 01/01/2019 by investing Rs. 500,000 by cash and some office equipments worth of Rs. 200,000 are Rs. 900,000 and Rs. 80,000 respectively. Damitha has settled a creditor for Rs. 60,000 by his personal money and he has taken some goods which the cost was Rs. 20,000 for his personal usage.
The profit or loss of the business for the month of January 2019 is,
$\begin{array}{lll}\text { 1. A profit for Rs. } 20,000 & \text { 2. A loss for Rs. } 20,000 & \text { 3. A profit for Rs. } 40,000\end{array}$
6. A loss for Rs. 40,000
7. A profit for Rs. 80,000
8. Which of the following transaction / transaction is/ are not effect to the equity,

A - Selling a stock at cost
B - Allowing a discount when receiving money from debtors
C - Settling a bank loan of the business by owner's personal money

1. A only
2. B only
3. C only
4. A and B only
5. All A,B and C
(.....)
6. Which of the following accounting concepts provides the basis to revel a loan with a small value given to a director
7. Entity
8. Materiality
9. Money measurement
10. Accruals
11. Realization (.....)
12. Which of the following accounting concept provides the basis to recognize the damage stock as an expense.
13. Periodic
14. Historical cost
15. Realization
16. Matching
(.....)
17. What is the accounting concept violated by not recognizing a motor vehicle which was acquired on finance lease as an asset due to not having legal ownership.
18. Going concern
19. Realization
20. Accruals
21. Substance over form 5.Prudance (.....)
22. Ajantha purchased a stock from Jayantha and settled dues within two weeks by issuing a cheque. But Ajantha returned some goods due to damaging. The order of use of source documents to record the above transactions is,
23. Invoice, Payment voucher, Credit note.
24. Invoice, Payment voucher, debit note
25. Invoice, counter foil, Credit note
26. Goods received note, counter foil, credit note
27. Goods received note, Payment Voucher, Debit note
28. There was Rs. 3000at the petty cashier of Keshan's business as at $31 / 01 / 2019$ and the main cashier has reimbursed Rs. 7000 on $1 / 2 / 2019$ calculate the petty cash expense for the month of January and the petty cash float.

|  | Petty expent (Rs.) | Petty cash float (Rs.) |
| :--- | :---: | :---: | :---: |
| 1. | 3000 | 3000 |
| 2. | 4000 | 5000 |
| 3. | 5500 | 5000 |
| 4. | 7000 | $(\ldots .)$. |

14. Following information relates to Kapila's business which was started on 1/1/2019

| As at 31.01 .2019 | The total of the amount column of cash receipt journal is | 400 |
| :--- | :--- | :--- |
| As at 31/1/2019 | The total of the amount column of the cash payment journal |  |
| The transactionswhich have not been recorded in cash receipt and payment journals <br> Standing order payment <br> Direct deposits | 180 |  |

| 5 | 200 | 220 | $(\ldots .)$. |

15. The balance as per bank statement of Viraj PLC as at $31 / 01 / 2019$ was Rs. 40,000 . But the balance of the cash control A/C as at same date was Rs. 60,000 . Following were revealed later,

- Direct deposits by debtors of Rs. 18,000 and Bank charges for Rs. 5000 has not been recorded in the cash control A/C
- The value of the unpresented cheques as at $31 / 01 / 2019$ was Rs. 18,000 .

Calculate the value of unrealized cheques as at 31.01.2019.

1. Rs. 18,000
2. Rs. 40,000
3. Rs. 51,000
4. Rs. 61,000
5. Rs. $65,000 \quad(\ldots .$.
6. Which of the following error /errors can be revealed by a trial balance

A - Paid electricity expense for Rs. 5000 has been recorded in the electricity expense account as Rs. 6000
B - Received interest of Rs. 15000 has been debited to cash account and credited to interest expense account
C - When extracting the balance of the creditors control account to the trial balance it has been overcasted.

1. A only 2. B only 3. A and B only 4. A and C only 5. All A,B and C (....)
2. The narration for the following journal entry could be,

Received discount A/C - Dr 3000
Discount allowed A/C - Dr 3000
Suspense A/C 6000

1. Rectifying the error of recording an allowed discount of Rs. 3000 to the received discount account
2. Rectifying the error of debiting an allowed discount of Rs. 3000 to the received discount
3. Rectifying the error of crediting a received discount of Rs. 3000 to discount allowed a/c
4. Rectifying the error of missing an allowed discount of Rs. 3000
5. Rectifying the error of not extracting the allowed and received discounts to the trial balance.(.....)
6. The trial balance of Harsha's business prepared as at $31 / 3 / 2018$ did not agree. The profit has been calculated by not considering above difference. Followings were revealed later.

- Credit purchases of Rs. 120,000 has been credited only to creditors control A/C
- A received discount of Rs. 20,000 has been debited to allowed discount account. This has been correctly recorded in the creditors control A/C
- Over casting the opening stock of Rs. 10000 when extracting to the trail balance.

The effect to the draft net profit by above errors is,

1. Overacarsted by Rs. 40,000
2. Overacarsted by Rs. 50,000 3. Overcasted by Rs. 70,000
3. Undercasted by Rs. 80,000
4. Undercasted by Rs. 100,000
(.....)
5. The calculated net profit of Janaka's business for the year ending 31/3/2018 was Rs. 300,000 following errors were revealed after calculating net profit.

- Paid VAT of Rs, 40,000 when purchasing goods has been debited to the purchase A/C business has registered for VAT
- Goods drawings of Rs. 20,000 has been missed from the books.
- Return outword of Rs. 5000 has been recorded as return inword.
- Paid electricity expense of Rs. 21000, has been recorded in the electricity expense account as Rs. 12000
The correct net profit for the year ending 31.03.2018 after rectifying above errors is,

1. Rs. 320,000
2. Rs. 341,000
3. Rs. 360,000
4. Rs. 361,000
5. Rs. 371,000 (.....)
6. The balance of the capital account of a sole proprietor has increased by Rs. 800,000 which of the following transactions could be help to above effect.
7. Earning a profit of Rs. 800,000
8. Introducing new capital of Rs. 800,000 by the owner
9. Investing a motor vehicle worth of Rs. 800,000 by the owner.
10. Settling a creditor of Rs. 800,000 by owners personal money
11. Settling owner's personal bank loan of Rs. 800,000 by the business

Rs. 8000 has been received for the written off impairment losses of Rs. 10000 in the previous year. The effect of above transaction is,

1. Increase assets by Rs. 8000 and decrease assets by 8000
2. Increase assets by Rs. 8000 and increase equity by Rs. 8000
3. Increase assets by Rs. 8000 and decrease equity by 8000
4. Increase assets by Rs. 10000 and increases equity by 10000
5. Decreases assets by Rs. 10000 and decrease equity by 10000
6. Janith PLC hired a building on $1 / 1 / 2017$ and paid Rs. 120,000 as the annual rent for the year ending $31 / 12 / 2017$ on that date. The rent paid on $01 / 01 / 2018$ for the year ending $31 / 12 / 2018$ is Rs. 180,000 . The accounting year is ended on $31 / 3$. The rent should be recorded in the income statement for the year ending $31 / 3 / 2018$ and the rent paid in advance as at that date is,

|  | Rent in the income statement (Rs.) | Pre-paid rent |
| :--- | :---: | ---: |
| 1. | 120,000 | 135,000 |
| 2. | 120,000 | 180,000 |
| 3. | 135,000 | 45,000 |
| 4. | 135,000 | 135,000 |
| 5 | 165,000 | 45,000 |

- Write short answers for Q.No. 31-50 in the space given.

31. Indicate whether following statements relating to the financial accounting are True or False.

## True/False

A It provides information for external party
B It base estimated information

C It present information for an accounting period
D Sri Lanka Accounting standards are not used
32. State whether the following tasks can be included under management accounting Task Yes/ No

A Preparing general purpose final financial statements
B Preparing overhead analysis sheets $\qquad$
C Providing information of marginal costing $\qquad$
D Analyzing profitability of a firm by using ratios $\qquad$
33. State the most suitable accounting concept for following

## Situation

Concept
A Categorizing liabilities as current and non - current in the statement of financial position $\qquad$
B Recognizing payable expenses in the statement of financial position
C Recording the most lowest value form the cost and net realizable value of the closing stock.

D Considering the purchase a stapler machine as an expense in the income statement
34. State whether following statements are considered as the components of the general purpose final financial statements.

Yes / No
A Statement of Financial position
B Directors reports
C Notes in the F.F.S.
D Bank reconciliation statement
35. There was Rs. 4300 at the petty cashier of Asela PLC as at 28.02.2019. The totals of the analysis columns in the month of February 2019 of the petty cash payment journal are given below.

|  | Rs |
| :--- | ---: |
| Travelling expense | 2000 |
| Stationery | 1500 |
| Refreshment expenses | 800 |
| Postage | 1400 |

The value of the petty cash float was decided to increase to Rs. 15,000 from 1.3.2019. Calculate followings.
(1) Total petty expenses in the month of February
(2) The amount should be reimbursed as at 1.3.2019
$\qquad$
$\qquad$
36. Complete following sentences with suitable words. (matching concept, income statement, statement of financial position, profit or loss)

1. accounting period.
2. The statement represent the assets, Liabilities and equity of a firm as at specific date is called as
$\qquad$
3. Relevant expenses are adjusted with the earned income to calculate profit or loss for a time period is done as per
4. The major objective of an income statement to calculate $\qquad$ for a specific time period.
5. Indicate whether the following statements are True or False in appropriate column with a " $\checkmark$ " or " $\times$ "

1 The relationship of assets with the ownership of that assets is shown by an accounting equation
(..........)

2 When calculating profit or loss by net asset method. Opening net assets should be deducted form closing net assets and drawings and additional capital should be deducted.
(..........)

3 Money measurement concept says that the only resources can be measured by monetry value should be recorded.
(..........)

4 It is better to consider all business as one when accounting when there are several business for one owner.
(..........)
38. There are two types of errors when occure recording transactions. Those two types are,
1.
2. $\qquad$
39. Write two circumstances that an accounting policy can be changed.

1. $\qquad$
2. $\qquad$

40 State whether following item is an expenses of not.

## Expense / not an expense
