### My grandmother

My grandmother

She my second mother,

Relate me fairy tales,

Live long my grandmother,

Old but stronger than males.

### My pet

Do you have a pet?

What is it?

What is the colour of it?

Where does it live?

What does it eat?

How does it play with you?

How do you care about it?

How does it show its love for you?

Shall we write a poem about My Pet?

Look, find and fill

Find words from the boxes
