

කොටුවේ ඇති සංඛ්‍යාව ලැබීමට එකතු කළ යුතු බැඳුන් දෙක තෝරන්න. ඒවා කොටුවට යා කරන්න.

The image shows a visual math problem. At the top, there are three orange balloons. The first balloon has one green star on it. The second balloon has two green stars on it. The third balloon has one green star on it. Below the balloons is a rectangular box containing two green stars. A watermark is visible in the background of the image area.
