Option 1: Worksheet

Preparation:

- This activity can be used as a warmer or lead in before you introduce the language. You can also use it as a practice activity.
- Make copies of worksheet 1 (1 per group) and cut the activity into 8 strips of paper, so each sentence is on a strip of paper.
- Colour the sentences that belong to each group with a different colour or number each sentence according to the group (so that you will be able to identify which set belongs to each group)

Stage / Time	Procedure
Lead in or Practice 20 minutes	<ol style="list-style-type: none">1. Arrange the sets of scrambled sentences on your desk and appoint a runner and a writer for each team.2. Explain to students that the runner must collect a sentence and take it to the group. The group then unscramble the sentence.3. The writer writes the corrected sentence on the same piece of paper and hands it back to the runner, who takes it back to the teacher.4. If the sentence is correct the runner is given another sentence. If it's incorrect they have to go back and retry.5. The first group to finish their whole set are the winners!
