

## The ballad of Lisa the lemur

### Song

Lisa lived in the rainforest  
With all her family  
Along came a man with an axe in his hand  
And chopped down the family tree.

So they moved to another tree  
A long long way from town  
Along came a man with an axe in his hand  
And chopped their new tree down.

We all need somewhere to live  
We all need somewhere to live  
You need a flat, fishes need the sea  
Lisa needs a tree.

The rainforest gives us the air that we need  
Lots of animals live in the trees  
That's what we call ecology  
Why are we chopping it down?

We all need somewhere to live  
We all need somewhere to live  
You need a flat, fishes need the sea  
Lisa needs a tree.

So Lisa came into town  
With all her family too  
There are trees in the park but it closes after dark  
And there's no more room at the zoo.

We all need somewhere to live  
We all need somewhere to live  
You need a flat, bees need a hive  
Goats need a mountainside.

We all need somewhere to live  
Yeah, we all need somewhere to live  
Bears need a cave, fishes need the sea  
Lisa needs a tree.
