

The birthday party

1. Match them up!

Draw a line to match the picture and the word.

presents	fairies	superheroes	spies	princesses	children
----------	---------	-------------	-------	------------	----------

To make plurals, we usually add 's':

one present, two presents **s** one candle, two candles **s**

But there are some special spelling rules!

Words ending in **consonant + y**:

one fairy, two fair**ies** one spy, two sp**ies**

Words ending in **o, s, x, ch**:

one princess, two princ**esses** one box, two box**es**
 one superhero, two superher**oes** one sandwich, two sandwich**es**

And some words are different!

one man, two m**en** one child, two child**ren**
 one woman, two wom**en** one person, two p**ople**

2. Where does it go?

Underline the plural endings. Then write the words in the correct box.

present <u>s</u>	superheroes	candles	tomatoes	games
princ esses	balloons	sandwiches	crisps	boxes

-s	-es
presents	princesses

3. Find the spelling!

Look at these plural words. Write the singular word.

one <u>man</u>	two men	one _____	two spies
one _____	two fairies	one _____	two people
one _____	two parties	one _____	two cherries
one _____	two children	one _____	two babies

4. Look and find!

Look at the picture. What plurals can you see?

I can see two spies,
