my mother goes to market every sunday She buys vegetables fruits eggs fish and chicken then she goes to the grocery shop to buy rice sugar flour green grams and butter.

Mymother _____

_____ (1/2 X 10= 05 marks).

05 Read the passage and mark whether the statements given below are true or false. (1X5=5 marks)

Penguins.

Penguins are birds that cannot fly. Their wings are called flippers which help them travel up to thirty miles per hour in water. They also use their flippers for balancing as they walk. Penguins eat fish. They spend most of their time in the water. Penguins lay their eggs and raise their young on land. There are many kinds of penguins. Emperor penguins are the largest species of penguins and can grow to be about four feet tall and weigh about one hundred pounds.

a. A penguin is a fish.	
b. A penguin can swim up to thirty miles per hour.

Part II

08 read the poem and answer the questions given below.

Mother's Wrist Watch

It's an old wrist watch
with the golden touch.
It does not run.
I thought my mother wears it for fun.
"Why don't you buy a new one?"
My elder brother gave me this one.
He gave everything,
this house, that paddy field, our car.
Now he is no more.
I have lost him during the war.
But this watch reminds me
my golden days.

- a. Write the adjectives that describes the words
1 'Watch' 2. 'Days' (2 marks)
- b. Who gave this watch to my mother? (1 mark)
- c. Write the word that comes in the blank in line 7. (2 marks)

11. Read the passage given below and answer the questions given below.

Summer season begins in April and ends in August. It is very hot in this season. April is the hottest month of this season. This season brings us the hotness of sun because the part of earth is facing straight rays of sun.

In summer, mornings are quite cool but it becomes very hot in the afternoon. The hot wind blows during day time which can make us ill too. People drink plenty of water in this season. The roads and streets are deserted in the afternoons and wear thin cotton clothes to protect themselves from heat. People mostly use air cooler, refrigerator for getting coolness and cold water.

Many people go to hill stations in summer. Summer is the season of ice cream and cold drinks. It is also the season of mangoes, water melon, grapes and oranges. People love to drink fruit juice. Many beautiful flowers bloom in this season.

In this season, the farmers plough their fields and keep them ready for the monsoon. The summer is a blessing to us as it helps monsoon to come. The water **vaporized** in summer falls as rain in monsoon. (essayforkids.com)
