Lesson 3:

Day 3 – Enjoy reading the verse given below.

Life is like a journey on a train with its stations
with changes of routes and with accidents
we board this train when we are born and our parents are the ones
who get our ticket

we believe they will always travel on this train with us

however, at some stations our parents will get off the train, leaving us alone on this journey

as time goes by, other passengers will board the train, many of whom will be significant, our sibling, friends, children and even the love of our life..... Many will get off during the journey and leave a permanent vacuum in our life. Many will go unnoticed that we won't even know when they vacated their seats and got off the train. This train ride will be full of joy, sorrow, fantasy, expectations, hellos, good-byes and farewells..... A good journey is helping loving having good relationship with all co-passengers and making sure that we give our best to make their journey comfortable..... The mystery of this fabulous journey is; we do not know at which station we ourselves are going to get off so we must live in the best way; adjust, forget, forgive and offer the best of what we have. It is important to do this because when the time comes for us to leave our seat..... we should leave behind beautiful memories for those who will continue to travel on the "train of life"

- Now try to write your own poem on "Journey of Life" .
